Clinical Research Best Practices

Norman M. Goldfarb

Norman M. Goldfarb, CRCP, is Managing Director of First Clinical Research LLC, a provider of clinical research best practices information, consulting and training services. He is Editor of the Journal of Clinical Research Best Practices, with over 100,000 subscribers. He is Chairman of MAGI, a broadly-based organization he founded in 2003. With over 5,000 members representing clinical research sponsors, sites and CROs, MAGI's objective is standardize best practices for clinical research operations, business and regulatory compliance.

Mr. Goldfarb previously founded and led eight companies, including Calgene, the leading agricultural biotechnology company in the 1980s. He has an M.B.A. degree from Stanford University and a B.A. degree in Economics from Yale University. He has authored or presented hundreds of articles and talks on clinical research.
