

FIRST CLINICAL RESEARCH

Clinical Research Best Practices

Norman M. Goldfarb

Norman M. Goldfarb, CRCP, is Managing Director of First Clinical Research LLC, a provider of clinical research best practices information, consulting and training services.

Mr. Goldfarb is Editor of the Journal of Clinical Research Best Practices, with over 80,000 subscribers. He is Chairman of MAGI, a broadly-based organization he founded in 2003 to streamline clinical research, initially by developing a flexible clinical trial model agreement.

Mr. Goldfarb previously founded and led eight companies, including Calgene, the leading agricultural biotechnology company in the 1980s. He has a B.A. degree in Economics from Yale University and an M.B.A. degree from Stanford University. He is a member of the ACRP Site Managers Forum Steering Committee and CIRCARE Board of Directors. He has authored or presented hundreds of articles and talks on clinical research.
