MAGI Membership Passes 800

MAGI now has members from over 800 sites, sponsors and CROs, including most of the major players.

2006 Negotiating Clinical Trial Agreements & Budgets Conferences

The Negotiating Clinical Trial Agreements & Budgets conference in Boston last month was the first for which a majority of attendees rating the meeting "Excellent." Almost all of the rest rated the meeting "Very Good." The next meeting is in San Francisco on September 24-27. Boston attendees welcomed the addition of a second track; more, longer sessions for our diverse audience; and more workshops and networking events. The agenda for the September conference will be similar to that of the May conference, which is at <http://www.srinstitute.com/CS367>. We expect over 200 attendees in San Francisco. An increasing number of attendees are "repeat customers."
