- MAGI Model CTA updated

MAGI's Clinical Trial Agreements & Budget Conference

With almost three months to go, MAGI's Clinical Trial Agreements & Budgets Conference has over 80 confirmed participants. The conference will be held in Atlantic City, New Jersey on May 20-23, 2007. We will have over 50 speakers, 30 sessions in three tracks, and five workshops. Information is available at <http://www.iibig.com/conferences/P0703/overview.html>

SRI, co-producer of the last meeting, is not affiliated with this conference. Our new partner, iIBIG, is going above and beyond to ensure a successful meeting.

MAGI Model CTA Updated

The new version of the Model CTA updates the section on third-party pass-through costs and adds a new section on disaster-preparedness.

Join MAGI today

MAGI's flexible model clinical trial agreement streamlines the process of negotiating clinical trial agreements, thereby taking months out of the drug development timeline and speeding medical products to market. It also reduces study start-up costs and aggravation for sponsors, sites and CROs. Our 1,200+ current members represent most of the major players in the industry.

Membership is free. Members agree to read our model CTA and suggest questions and improvements. By participating, you are not obligating your organization to use the model agreement. Learn more about joining MAGI or sign up today at <http://www.firstclinical.com/magi/>
